LAKE TRAVIS

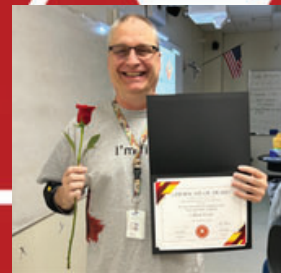

EDUCATION FOUNDATION

We, The Lake Travis Education Foundation (LTEF), are a nonprofit organization dedicated to supporting and enhancing educational excellence within the Lake Travis Independent School District (LTISD) in Texas. Established in 1985, the foundation serves as a bridge between the community and the school district, raising funds to invest in innovative programs, technology, and resources that go beyond the traditional school budget.

LTEF's mission is to enrich the educational experience of all Lake Travis students by funding teacher grants, student scholarships, and district-wide initiatives that promote academic achievement, creativity, and lifelong learning. Through community events, corporate sponsorships, and individual donations, the foundation fosters a strong partnership among parents, educators, businesses, and residents—all united in their commitment to excellence in public education & now, we also fund vital staff positions too

Over the years, LTEF has invested millions of dollars back into local schools, making a tangible impact in classrooms and helping prepare students for success in college, careers, and life.

Start a Family Tradition at the Trot!

Each year, the Hill Country Turkey Trot brings together over 2,300 participants, including competitive runners, casual joggers, walkers, families with strollers, and even four-legged friends for a fun, family-friendly event that has become one of the largest gatherings in the Lake Travis area.

The Courses:

- A certified 5K course winds through the beautiful Signature Golf Course at The Hills Country Club, a truly exceptional venue that makes the run as scenic as it is exciting.
- A fun 1-mile course in The Hills Signature Golf Course for those looking for a more relaxed pace.

This event is a fantastic way to show community spirit while engaging with a broad audience. We welcome your support in making this cherished tradition even more impactful!

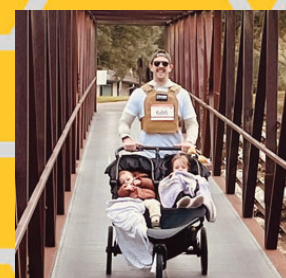

Double Your Impact! Thanks to the generosity of a matching sponsor, every sponsorship dollar you contribute will be matched dollar for dollar up to \$10K. That means your support will go twice as far in helping us fund teacher salaries, teacher grants, and student scholarships.
